

Learn about bees

Nature's tiny superhero!

1. I have ____ eyes.

2. In summer I live for about ____ weeks.

3. I can flap my wings up to _____ times a second!

4. My sisters and I have to travel about _____kms (further than once around the earth) to make 1 kg of honey (about two medium jars!).

7. I use my antennae to smell. I can smell nectar up to _____ km away.

6. In summer, about _____ worker bees live in a hive.

5. I carry pollen back to the hive in my pollen sacks and nectar in my honey stomach. I can carry up to _____% of my body weight.
